

Transportation Options Upon Arrival

We have a variety of transportation options to help meet your needs upon arrival at our airport. You may park and tie down your plane on the Tarmac as we do not have any temporary hanger space available at this time. Food is available at Rachel's Bar and Grill within walking distance at the [Lander Golf Course](#) located at 1 Golf Course Drive.

[Wyoming's Wind River Country](#) is your travel site to explore everything we have to offer. At the bottom of their page, you will find a great map featuring our local restaurants and attractions.

Courtesy Car

A courtesy car is available at Hunt Field Airport. It is parked next to the terminal building. You may use the vehicle for one day so that it can be made available for other pilots and visitors.

The paperwork to checkout the car is located at the Airport Manager's office door. Please fill out the necessary forms and leave your paperwork on the door.

Shuttles

Transportation services change their schedules regularly. Please contact the following options to make arrangements to fit your needs.
