Profile

Originally from Iowa City, IA, Missy has called Lander home since 1988. Drawn to the joys of small, tight-knit community, as well as the fabulous backyard of the Wind River Mountains, she found in Lander a place to sink her roots. Missy graduated from Davidson College with a BA in English Literature, and from Seattle University with an MA in Organizational Development. Through her work, she improves processes in hospitals; facilitates leadership development for groups and individuals; creates structure through strategic planning; and provides individual coaching to perform with greater capacity. One of her most beloved jobs is serving as a coach to the Lander Middle School Nordic Ski Team. In the spirit of community service, chairs the Fremont Air Service Team (FAST), directs Lander Nordic Ski Association, is a Lander Rotary member and board director, serves on Fremont County Search and Rescue, and served 2 terms on the Lander Economic Development Association (LEDA) board. For hobbies and relaxation, she's an avid knitter, fervent gardener, a decent enough Nordic skier, loves hiking in the mountains, and adores dogs— especially her spoiled dachshund who joins her on hikes in the

mountains. Hearing from constituents is always welcome. Click on the email link to share your thoughts.
